

Proposal for Political Action Committee

- ✓ **No Dues Increases**
 - All funds will come out of existing revenues.
 - The PAC will not affect your dues.

- ✓ **No Statewide Candidates or Propositions**
 - PAC funds will only be used for local school bonds, parcel taxes, and nonpartisan school board elections.

- ✓ **No Requirement to Participate**
 - You will have the option, once a year, to opt out of the PAC.
 - Your dues money will then remain the WTA's general fund.

PAC funds will be used to support pro-public education candidates and issues in non-partisan elections at the district and county level. None of these funds may be used in state or national partisan elections. This is a very important part of our total program to protect the interests of our members and to insure a supportive environment for the education of our students. Your support of these local political activities is very much needed.

What will the PAC do for WTA?

- ✓ A PAC will allow our voices to be heard in the community and the district.

- ✓ A PAC will give us a stronger say in who runs the district, and therefore, how the district is run.

- ✓ A PAC will help us elect the best possible school board candidates as partners with the teachers in the education of our students.
